First, let us define a couple of terms.

Accounts

Every person who accesses the Learning Connect website will require an account. Every account will have their own username and password. It is not possible to share usernames and passwords or to have a generic username and password for everyone in the organisation.

Each user account will be one of four types:

- Company (Admin),
- Company Manager,
- Company User (Individual),
- Individual.

Company (Admin)

When you sign up for your organisation's first account, this account will be a Company Admin's Account.

A Company (Admin) can purchase courses, give permission to the managers to use the courses and add additional Managers to their account but can't manage Individual themselves.

Company Manager

A Company manager can create user, assign course to the user. Company Manager also take courses themselves.

Company User (Individual)

A Company user (Individual) is an account that has been created by their manager in order to be able to take training courses. A manager may create as many User Accounts as they require, and each Users may be assigned multiple courses.

Individual

Individual is an account created by Individual itself. Individual can buy the course directly from the site.

Courses

There are a wide range of courses available for you to take online. Each course is made up of four sections – Introduction, Video, Presentation & Resources. Each course has Exam consisting of a multiple-choice question assessing your knowledge. On completion of the course you will receive a FREE certificate showing your score with date & time of achievement.

Purchasing Courses

You can buy any course online by simply click on "Add to Cart" button and increase the number of courses as you want by adding number in boxes provided.

Note: Any Course - £1.00 + VAT. Minimum Cart should be £12.00

The screenshot shows the Learning Connect website interface. At the top, there is a navigation bar with the logo and menu items: HOME, ABOUT, ONLINE CARE COURSES, IN-HOUSE TRAINING, FAQ, CONTACT, LOGIN, and a search icon. Below the navigation bar, there are three course cards. Each card features a title, a description, a price of £10.99 plus £1 + VAT, and buttons for 'DETAIL', a quantity input box, and 'ADD TO CART'. Red arrows point to the quantity input boxes and the cart icon in the top right corner.

After adding courses in Cart – Click on Cart – Top (Right hand side corner) for cart details.

This screenshot shows the top navigation bar of the Learning Connect website. A red arrow points to the cart icon in the top right corner, which has a notification badge showing '50'.

Note: Company (Admin) can purchase as many as courses or packages they want. There is no expiry date on "the courses" until unless it's assign to the company user (Individual) Or Company Manager. For instance, you purchased 1000 courses & assigned only 900 courses. Still you have 100 courses to assign anytime, anywhere. There is no time restriction.

Click on “Confirm and Pay”

Email confirmation from
Learning Connect.

The screenshot shows a sidebar menu for 'Steve Thomas Manager' with 'Assign Course' highlighted. An arrow points to the 'Assign New Course' form, which includes fields for 'Select User', 'Select Category', and 'Select Course', along with 'Clear' and 'Save changes' buttons.

Company User (Individual) / Individual Account Screen

The individual account user can buy courses only. If Company user (Individual) want to do any course – need to contact with company (Admin) or Company Manager account holder.

The screenshot shows the Learning Connect dashboard for 'Sam Hickmer Individual'. It features three summary cards: 'Total Single Courses' (0), 'Total Certificate' (0), and 'Total Package' (0), all updated at 14:43:22. Below these is a 'Progress Report' section with a search bar and a table. The table has columns for Category, Course, Assigned On, Starts On, Completed On, and Status, but it is currently empty with the message 'No data available in table'. A note at the bottom states: 'NOTE: To Start your course, please click on "My Course" tab.'

Update Profile/Change Passwords

You can update profile or change your own password by clicking the “My Profile” tab and update profile or choose a new password. Remember that passwords must be at least 6 characters long.

The image shows two parts of the Learning Connect interface. On the left is a navigation menu for 'John Smith Company' with options: My Profile (selected), Logout, Buy courses, Create Users, Show Users, Archived Users, New Course Permission, View Certificates, Completion Report, and Support Documents. A red arrow points from the 'My Profile' menu item to the right-hand screenshot. The right-hand screenshot is the 'My Profile' form, which includes fields for Full Name (John Smith), Email Address (john@john.com), Password (with a 'Show/Hide' toggle), City (London), and Country (United Kingdom of Great Britain and Northern Ireland). There is also a 'Profile Photo' section with a 'Choose File' button and a 'Submit' button at the bottom.

Taking a course

Log into the correct User Account in order to take a training course.

Training courses can be taken 24/7, 365 days a year from any internet connected computer. You will need a modern web browser on your computer to get the best results (Internet Explorer 10+, Chrome) although you can still use older versions of Internet Explorer as long as you have an up to date version of Adobe Flash Player installed.

You can also take courses on tablet devices, such as an iPad, and on many modern mobile phones, although you will need to be on WIFI or have a very good 3G/4G mobile signal to access the video content. When you have logged into your account, you can click the Start Course button in the courses row.

The image shows the 'My Courses' page in Learning Connect. The user is logged in as 'Sam Hindler Individual'. The page displays a table of courses with the following columns: Category, Course, Assign On, My Attempts, Course Action, and Exam Action. A single course is listed: 'Care Certificate' with the course 'Standard 1: Understand your role', assigned on '2018-04-16 14:57:49', and '0 out of 10' attempts. The 'Course Action' column contains a green 'Start Course' button, which is highlighted by a black arrow. The 'Exam Action' column contains a 'Start Exam' button. Below the table, there is a 'Note' section with instructions on how to start single courses, single course exams, package courses, and package course exams.

Category	Course	Assign On	My Attempts	Course Action	Exam Action
Care Certificate	Standard 1: Understand your role	2018-04-16 14:57:49	0 out of 10	Start Course	Start Exam

Note:

- To Start Single Course – Click on “Start Course”
- To Start Single Course Exam – Click on “Start Exam”
- To start Package Course – Click on “Show Course”
- To Start Package Course Exam – Click on “Show course”

Each course has an Introduction, Video clip, Presentation and Resources.

You can start video by clicking the play button that appears bottom of the player. You can pause the video by clicking on it. Hovering your mouse over the video will let you access the trackbar which allows you to skip backwards in the video, adjust the volume and make the video full screen.

You can start presentation by click on button provided by google slides to go on next or previous page of presentation.

Resources can access by click on "View Now" button – which will open in a new page.

Once user finish with Course materials able to "start Exam".

Each course has Multiple choice questions & True False – Once user finish with exam can click on submit button to get instant result.

Every user has number of attempts to pass the course. If user used all attempts, then Company Manager need to assign same course again to get more attempts.

The screenshot shows the Learning Connect dashboard. The user is Sam Hildmer, an Individual. The 'My Courses' section displays a table with the following data:

Category	Course	Assign On	My Attempts	Course Action	Exam Action
Care Certificate	Standard 1: Understand your role	2019-04-16 14:57:49	0 out of 10	Start Course	Start Exam

Below the table, there is a 'Note' section with instructions on how to start courses and exams. The 'Report a Concern' button in the navigation menu is highlighted with a red box.

Report a Concern

The 'Report a Concern' form is shown, with fields for Name, Email, Address, and Phone Number. A red arrow points from the 'Report a Concern' button in the navigation menu to this form.

Company User (Individual)/ Individual
Can report any issue
Related to their account or course.

Logging Out

When you have finished using the website, please remember to log out in order to keep your account secure.

If you close your browser window you will have to log back in, but you won't be completely logged out unless you actually click the button.

You will also be logged out automatically after approximately 20 minutes of inactivity.
